

A considered office.

Coordinated spaces. Practical choices. One project brief.

Executive offices, team workspaces and meeting rooms brought together around your space and budget.

This guide features catalogue collection illustrations. Images may represent a product family with multiple sizes. Materials, finishes, included furniture, packing, timing and delivery scope are confirmed in your written proposal.

Qijie Executive Desk

QJ-02BT24 / Qijie collection

A composed focal point for an executive office. Warm wood tones, a sculptural front and coordinated storage bring the room together.

FEATURED CATALOGUE SIZE

2400 x 2000 x 750 mm

Catalogue page 35. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Qijie Compact Executive Desk

QJ-04BT18 / Qijie collection

A smaller footprint with a considered executive presence. Pair the desk with coordinated storage to make the most of a private office.

FEATURED CATALOGUE SIZE

1800 x 1600 x 750 mm

Catalogue page 38. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Jieke Executive Desk

JK3020A / Jieke collection

Architectural lines and a lighter visual profile for a contemporary executive workspace, with a choice of catalogue widths.

FEATURED CATALOGUE SIZE

2200 x 2000 x 750 mm

Catalogue page 51. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Qijie Boardroom Table

QJ-01HYZ36 / Qijie collection

A generous centrepiece for shared decisions. Continue the Qijie collection from the executive office into the boardroom.

FEATURED CATALOGUE SIZE

3600 x 1400 x 750 mm

Catalogue page 40. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Qijie Meeting Table

QJ-02HYZ28 / Qijie collection

A coordinated meeting table for everyday collaboration, with a refined profile that sits naturally alongside the Qijie executive range.

FEATURED CATALOGUE SIZE

2800 x 1400 x 750 mm

Catalogue page 42. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Bosen Meeting Table

BS2412H / Bosen collection

A straightforward starting point for a coordinated meeting room. Choose the table size first, then build a matching furniture package.

FEATURED CATALOGUE SIZE

2400 x 1100 x 750 mm

Catalogue page 111. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Bosen Workstation

BS2412A / Bosen collection

Plan a team workspace as a complete system of desks, storage and seating. Start with the room plan and the way your team works.

FEATURED CATALOGUE SIZE

2400 x 1200 mm footprint

Catalogue page 110. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Qijie Executive Storage

QJ-01WJG32 / Qijie collection

Create a cohesive backdrop to the executive desk. A full-width storage composition brings display and organisation into one setting.

FEATURED CATALOGUE SIZE

3200 x 400 x 2000 mm

Catalogue page 34. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Qijie Office Sideboard

QJ-01CSG12 / Qijie collection

A compact supporting piece for a private office or meeting room, continuing the visual language of the Qijie collection.

FEATURED CATALOGUE SIZE

1200 x 400 x 800 mm

Catalogue page 44. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Qijie Coffee Table

QJ-02CJ07 / Qijie collection

Finish the conversation corner with a compact square table. Pair it with seating selected around your space and budget.

FEATURED CATALOGUE SIZE

700 x 700 x 450 mm

Catalogue page 45. Other sizes where listed are confirmed against the selected model.

Collection illustration. Seating, decor and electrical components are included only when specified.

Bring your project together.

A useful brief starts with a few clear details:

01 Company and contact details

02 Project country and city

03 Room plan, team size or furniture quantities

04 Preferred pieces, sizes and style

05 Budget range and intended timing

06 Import, delivery and installation requirements

Use the website to add products to a project list and submit them with your brief. Prices, minimum quantities, material specifications and delivery arrangements are confirmed for each proposal.

Website imagery comes from the supplied Zuochen catalogue and showroom materials. Products and services are confirmed in your project quotation.
